Deadline
4th Sept 2026

The undersigned exhibitor participating in "2026 MATURE Taiwan Marine Technology & Unmanned Vehicle Exhibition " (Booth Number : _____ Number of Units : _____) and its appointed contractor hereby undertake to strictly comply with all exhibition management rules and decoration regulations. The contractor shall ensure that all decoration materials and waste (including tape and adhesive residue on booth surfaces) are completely cleared and removed from the venue prior to the move-out deadline. In the event of any violation, we agree to accept the Organizer's decisions and penalties unconditionally, and shall assume full liability for any damages and legal responsibilities.

The undersigned exhibitor hereby guarantees that it shall assume full legal liability for any property damage, personal injury, or other tortious incidents arising from the improper design, construction, use, or dismantling of the booth. Furthermore, the exhibitor shall indemnify and hold the Organizer harmless from and against any and all civil or criminal litigation arising therefrom. In the event of a breach, the exhibitor shall be liable for all damages and losses incurred by the Organizer, including but not limited to court costs and attorney fees.

(Select one)

All orders must be paid in full prior to the exhibition. Payment methods are as follows :

Sight Check ; Payee : 曄蔣設計有限公司 (Yes Design Co., Ltd.)
Please send via registered mail to :
No. 33-6, Ankeng, Sanxia Dist., New Taipei City 23743, Taiwan (R.O.C.)

Bank Wire Transfer :
First Bank (0 0 7) Xindian Branch (2 2 1 8) Account Number : 2 2 1 - 1 0 - 0 3 2 6 8 7

※ All bank charges and remittance fees shall be borne by the exhibitor.
Please provide the remittance advice after payment for reconciliation purposes.

Notes :

1. If the water and electricity application fees are not received prior to the exhibition, no power will be provided during the event. The exhibitor shall assume full responsibility for any consequences, and the Organizer shall be held harmless.
2. For applications not received by the deadline, the Organizer will proceed with default construction. Any temporary changes requested on-site will incur an additional 50% construction fee based on the original power rate.
3. The Organizer provides water and power only to a designated point within the booth. The exhibitor is solely responsible for the safety and installation of all piping, cabling, and electrical appliances connecting the supply point to their display equipment.
4. For equipment requiring earth grounding or system grounding, please explicitly specify "+N" for a separate quotation.
5. Exhibitors are responsible for their own voltage conversion; the Organizer does not provide special voltage services. For exhibitors using air compressors, the power consumption of the compressor must be included in the total power application.
6. The current fee schedule covers the primary construction (initial installation) only. Secondary engineering and connection services will be quoted separately.

Utility Services Application Instructions

Yes Design Co., Ltd.
Tel : +886-2-2668-2119 ext. 24 (Attn: Mr. Lu)
Fax : +886-2-2668-2557

Attachment 3-1

Deadline
4th Sept 2026

1. Since **free electricity is not provided** for this exhibition, all exhibitors **must fill out the "Utility Services Application Form."** Please **reply via Fax or E-mail after completion for confirmation.** (The maximum power per circuit is 22KW; demand exceeding 22KW will be supplied by an additional circuit.)
i.
2. Any requirements for power, dynamic power of 220V (inclusive) or above, drainage, compressed air, or 24-hour power must be applied for and paid for within the deadline using the application form.
i.
3. To ensure electrical safety and management, power distribution boxes will be provided at exhibitors' booths in accordance with the information submitted in the Utility Services Application Form. Exhibitors must reserve space for the power box when planning the booth layout and mark the location clearly on the form, returning it via Fax or E-mail for construction coordination.
i.
4. The Organizer reserves the right to cut off water and power without further notice in the event of :
 - (1) Unauthorized connection of water or electricity without application;
 - (2) Failure to pay fees by the deadline after application;
 - (3) Overloading due to inaccurate power consumption application;
 - (4) Other illegal or unsafe electrical practices. Any resulting losses shall be the sole responsibility of the exhibitor.
i.
5. Requests for cancellation or modification must be submitted in writing by October 1st 2026 to receive an 80% refund of the fees paid. No modifications or refunds will be accepted for requests made after this deadline.
i.
6. Power: General power (Single Phase 110V) and other power types are supplied via power boxes based on the applied capacity. Water: Water supply (1/2 inch) only includes the ball valve, not the faucet. Exhibitors must install their own piping, faucets, and water containers. Exhibitors are fully liable for any compensation due to damages to the venue or other exhibitors caused by leaks or flooding.
7. No compensation will be provided by the Organizer in the event of power interruptions from Taiwan Power Company or temporary failures of the venue's electrical equipment.
i.
8. If the actual total power consumption exceeds the applied amount and is detected by the Organizer, the excess portion must be paid for according to regulations. If the excess affects the power system's operation, the Association has the right to cut off power immediately without further notice; any resulting losses are the sole responsibility of the exhibitor.
i.
9. For the power consumption of various electrical appliances, please refer to the "Power Conversion Table"(動力用電換算表).
i.
10. For fee standards, please refer to Attachment 3-2 "Water and Electricity Engineering Fee Schedule." Late applications will incur an overdue fee in addition to the original application fee.
i.
11. Application Deadlines and Billing Rules :
 - (1) Applications and payments completed **by September 4th, 2026 (inclusive)** will be charged at standard rates.
 - (2) Applications and payments completed **after September 5th, 2026 (inclusive)** will incur a **30% overdue fee.**
 - (3) Applications and payments completed **after October 1st, 2026 (inclusive)** will incur a **50% overdue fee.**
12. Power applications after October 15th 2026 depend on on-site conditions (some power types cannot be added).

Attachment 4

**Deadline
4th Sept 2026**

The undersigned exhibitor, participating in the "2026 MATURE Taiwan Marine Technology & Unmanned Vehicle Exhibition" organized by your organization at the ICC Tainan, hereby confirms that prior to construction, we have attended the exhibitor coordination meeting and the site safety and health hazard notification meeting. Our unit fully understands the safety and health facilities and requirements of the construction site. During the construction period, our unit and the contracted vendors pledge to strictly implement Occupational Safety and Health Act and other relevant regulations. In the event of sub-contracting, we will inform all sub-contractors of the OSH matters and other legal requirements. Should any occupational disasters or other accidents occur due to negligence during construction or activities, our unit and the contractors shall assume full legal and financial liability for compensation. Our unit and contractors shall not damage any equipment or apparatus belonging to your organization; in the event of damage, we agree to provide compensation at the original price or perform repairs at no cost.

Our unit and the contractors guarantee that during the operation period, all employed workers shall strictly comply with the following regulations :

1. Standard Operating Procedures (SOP) for contractors prior to construction.
2. Safety and Health Management Specifications for construction contractors.
3. Site Operational Hazard Factor Notification Form.
4. Our unit and contractors shall visit the ICC Tainan to understand OSH-related regulations. Any violations during the operation shall be subject to penalties according to the regulations °
5. To strictly implement the requirements of Labor Affairs Bureau of Tainan City Government, the Organizer will photograph and issue fines for violations to ensure worker safety, including failure to wear the exhibition service ID badge, failure to wear an approved identification mark or safety helmet, failure to use a safety belt when working at heights of 2 meters or above, failure to assign traffic control or zone management personnel during forklift and lifting operations, and failure to place safety cones under hanging loads or prohibit personnel from entering restricted areas. The Organizer reserves the right to deny entry to any contractor whose exhibitor has not submitted this form in accordance with the regulations.

We hereby acknowledges the aforementioned occupational safety and health related content and regulations, and has fully read and understands your organization’s workplace environment and regulations.

※ In order to strictly implement the requirements of Labor Affairs Bureau of Tainan City Government, the Organizer will take photos and issue fines for the following violations to ensure worker safety: construction personnel failing to wear exhibition service badges or approved uniforms as required, failing to wear safety helmets, failing to wear safety helmets for construction work at heights of 2 meters or above, failing to assign personnel for command and control of work areas during lifting or forklift operations, and failing to place safety cones under suspended loads or failing to restrict personnel from entering. The Organizer reserves the right to refuse entry to the Tainan Great Convention Center for construction to any exhibitor who fails to complete this form in accordance with the regulations.

※ Exhibitors must complete this form and the Decoration Commitment Form (Attachment 2) prior to move-in. During the move-in period, 2 company business cards must be presented at the Organizer's service desk to exchange for Exhibitor Badges. For those who fail to submit or provide incomplete information, the exhibitor badges will not be issued, and entry into the exhibition hall for decoration work will be prohibited.
